The screenshot shows the GeBBS iCRA web application. On the left is a blue sidebar with a menu containing: Admin, Call Center, Client Notified, Coding Review, Quality Control, Quality Assurance, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The main content area is titled 'Report Report'. It contains several filter fields: 'Selected Project' (dropdown menu showing 'Project CDD Coding'), 'Time Zone' (dropdown menu showing 'EST'), 'Selected Role' (dropdown menu showing 'QC'), and 'Date Range' (dropdown menu showing 'Year To Date'). There are also input fields for 'From Date' (showing '01/01/2020') and 'To Date' (showing '11/09/2020'). A 'Submit' button is located below these filters. Below the filters is a table with the following header: 'Customer Name', 'Client ID', 'Project Name', and 'Total Report Count'. The table body is empty, and a message 'No data available in table' is displayed. The footer of the page shows the copyright notice: '© 2020 GeBBS Healthcare Solutions. All rights reserved.'
