The screenshot shows the GeBBS iCRA web application. On the left is a blue sidebar with a menu containing: Admin, Call Center, Client Notified, Coding Review, Quality Control, Quality Assurance, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The main content area is titled 'Report Report' and features a form with the following fields: 'Selected Project' (dropdown menu showing 'Project CDR Coding'), 'Time Zone' (dropdown menu showing 'EST'), 'Selected Role' (dropdown menu showing 'Coder'), 'Select Coder's QCR' (button labeled 'All selected (0)'), 'Date Range' (dropdown menu showing 'Previous Quarter'), 'From Date' (text input showing '01/01/2020'), 'To Date' (text input showing '06/30/2020'), and a 'Submit' button. Below the form is a table with the following headers: 'Coder/RA Name', 'Client ID', 'Project Name', and 'Total Report Count'. The table body contains the text 'No data available in table'. At the bottom of the page, there is a footer that reads '© 2020 GeBBS Healthcare Solutions. All rights reserved.'
