The screenshot displays the GeBBS iCRA application interface. On the left is a blue sidebar with a menu containing items like Admin, Call Center, Chart Notified, Coding Review, Quality Control, Quality Assurance, Audit Trail, Chart Repository, Management Reports, and Operational Reports. The main content area is titled 'Hold Grid Report' and contains several form fields: 'Select Project' (set to Project CIVV Coding), 'Time Zone' (set to CST), 'Select Role' (set to QC), 'Select Coldest QC's' (set to All selected (0)), 'Data Range' (set to Year To Date), 'From Date' (set to 01/01/2020), and 'To Date' (set to 11/09/2020). A 'Run Report' button is located below these fields. Below the form is a table with the following data:

Chart#	PDF Page Count	Hold By	Hold Date	Comments	Aging Column
110000	21	Test, DannyGD	11/09/2020 08:28:49 AM	Test	9 days

At the bottom of the page, there is a footer that reads '© 2020 iCRA Healthcare Solutions, All rights reserved.'
