Drop down option with visible text QC is selected

NoneSelected is clicked

SelectAllChkbok is clicked

Drop down option with visible text Previous Quarter is selected

Submit is clicked

***** Records are not present on screen check database *****

The screenshot shows the GeBBS iCRA web application. On the left is a blue sidebar with a menu containing items like 'Admin', 'Call Center', 'Client Notified', 'Coding Review', 'Quality Control', 'Quality Assurance', 'Audit Trail', 'Chart Repository', 'Management Reports', and 'Operational Reports'. The main content area is titled 'None Selected' and contains a 'Web Client Report' form. The form has several dropdown menus: 'Selected Project' (set to 'Project CDR Coding'), 'Time Zone' (set to 'EST'), 'Selected Role' (set to 'QC'), 'Selected Coldest QCR' (set to 'All selected (0)'), and 'Data Range' (set to 'Previous Quarter'). There are also date input fields for 'From Date' (01/01/2020) and 'To Date' (06/30/2020), and a 'Run Report' button. Below the form is a table with columns: 'ClientID', 'PM Page Count', 'Hold By', 'Hold Date', 'Comments', and 'Aging Category'. The table is currently empty, displaying 'No data available in table'. The footer of the page reads '© 2020 GeBBS Healthcare Solutions. All rights reserved.'
