The screenshot displays the GeBBS iCRA application interface. On the left is a blue sidebar with a menu containing items like Admin, Call Center, Client Notified, Coding Review, Quality Control, Quality Assurance, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The main content area is titled 'Hold Grid Report' and contains several form fields: 'Select Project' (set to Project CIVV Coding), 'Time Zone' (set to EST), 'Select Role' (set to QC), 'Select Coldest QCR' (set to All selected (0)), 'Data Range' (set to Current Quarter), 'From Date' (set to 10/01/2020), and 'To Date' (set to 11/09/2020). A 'Run Report' button is located below these fields. Below the form is a table with the following data:

| Chart# | PDF Page Count | Hold By       | Hold Date              | Comments | Aging Column |
|--------|----------------|---------------|------------------------|----------|--------------|
| 110000 | 21             | Test, DannyGD | 10/09/2020 10:20:44 PM | hold     | 0 days       |
