Text of the element : Child

text is correct

The screenshot shows a software interface for GeBBS Healthcare Solutions. On the left, there's a vertical navigation bar with various menu items like Admin, Call Center, Chart Retrieval, Feed Tech, Feedback Area Assignment, Audit, RecordQA, RecordApproval, Coding Review, Quality Control, Quality Assurance, IEDRS, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The main content area displays a chase document for a member named Thao. AF. The document contains several sections: 'Physical Infrastructure controls', 'Official working procedure', 'Working days', 'Working hours', and 'Working days'. It lists specific instructions such as 'Procedure shall be established by Admin for the disinfection method, type of medium, perishable, log register, etc.', 'Only one person should be in the office at a time', and 'Face masks, gloves, etc. and also appropriate disinfecting agents like Alkaline Fuchs, iodine, chlorine, etc. shall be checked before putting it in operation'. There's also a note about 'Disinfecting agent for disinfection/risk management shall be displayed at prominent place for the knowledge of everyone'. The 'Official working procedure' section includes points like 'Changes in the working methodology shall be made to avoid crowding and maintain social distancing', 'Employees will be offered basic contracts, productivity and prompts to office', and 'All vehicles and machinery entering the premise will be mandatory disinfected by spray'. The 'Working days' section specifies 'The day of working have been planned and submitted to the management by each Bu Head basis on the workload'. The 'Working hours' section includes 'The employees will be restricted in stagger shifts to avoid crowding' and 'Hand sanitizers will be provided to all employees to use before work'. The 'Working days' section again emphasizes 'The employees will be restricted in stagger shifts to avoid crowding' and 'Hand sanitizers will be provided to all employees to use before work'. The right side of the screen features a 'Chase and PDF Mapping' section with checkboxes for various types of notes and reports, and buttons for 'Close' and 'Read'.

01/01/2019 To 12/31/2020 is displayed

This screenshot is nearly identical to the previous one, showing the same chase document for member Thao. AF. The content and layout are identical, including the detailed operational procedures and social distancing measures listed in the document. The 'Chase and PDF Mapping' section on the right is also present, showing the same list of checkboxes and buttons.

Chase and PDF Mapping is displayed

This screenshot is identical to the previous ones, showing the same chase document for member Thao. AF. The document content and the 'Chase and PDF Mapping' section on the right are identical to the previous screenshots.

T.1 Changes in the working methodology shall be made to avoid crowding in the workplace.

T.1.1 Employees will be offered basic contracts, products, services, gifts, etc., and also incentives (marketing plan, bonuses, etc.) to encourage them to work from home, if possible, and to observe quarantine norms before returning to work.

T.1.2 Working days

- i. The start of working has been planned and submitted to the management by each
- ii. You need basis to work at home
- iii. You are informed of the details by your respective superiors.

T.1.3 Working hours

- i. The employees will be rotated in staggered shifts to avoid crowding.
- ii. We will maintain an hour gap between shifts to avoid crowding and practice social distancing.
- iii. No employee from the department (area) will be permitted to commute to the office if required, the employee will be sent home immediately.
