6. Procedure shall be established by Admin for the disinfection method, type of medium, frequency and time period.

7. Other utilities like Electronic equipment to be checked before putting into operation.

8. All equipment used for disinfection shall be cleaned and disinfected prior to use, after reprocessing, and maintained in working condition that can serve available for the next use.

9. Procedure shall be developed for disinfecting management shall be displayed at prominent place for the knowledge of everyone.

10. It is recommended that if more than 3 people should be in an elevator, use of elevator for disinfection will be encouraged.

11. Cleaning and disinfection procedures to be used, the sterilizers shall be used for every movement.

12. Any person entering the premises will be mandatory disinfected by spray.

4.2 Physical infrastructure controls:

1. Required number of people assigned per printer/scanner. Only one person assigned per printer/scanner to prevent cross-contamination.
2. Biometric attendance tracking has been enabled to reduce the risk of contamination.
3. Biometric doors will be disabled until the repair is normal.

7.01 Changes in the working methodology shall be made to avoid crowding and maintain social distance while working.

7.1.1. In order to identify basic contacts, productivity and proximity to office.

7.1.2. Any employee who has recently travelled to Mumbai to resume work must observe self-isolation for 14 days before returning back.

7.1.3. Working days:

1. The days of working have been planned and submitted to the management by each employee.
2. You will be informed of the details by your respective supervisor.

7.1.4. Working hours:

1. Work hours will be restricted to staggered shifts to avoid crowding.
2. We will maintain an hour gap between shifts to avoid crowding and practice social distancing.
3. Our employees from the compartment areas will be permitted to commute to the office. If permitted, the employee will be sent home immediately.

Demographics Sheet is displayed

The screenshot shows the GeBBS Healthcare Solutions software interface. On the left, there is a vertical navigation bar with various menu items: Admin, Call Center, Chart Retrieval, Field Tech, Feedback Area Assignment, Intake, RecordQA, RecordQA Approval, Coding Review, Quality Control, Quality Assurance, HEDIS, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The main content area displays a 'Demographics Sheet' for a project named 'BrownAndIvanCoding'. The sheet includes sections for Project Name, Project Type, Member Name, Member DOB, Provider Name, Provider Address, Case ID, File Name, Case Type, Review Period, and Record QA Manager Comment. Below these sections is a 'Document Check List' table with columns for 'Document' and 'Status'. At the bottom of the page are several buttons: 'Move Page', 'Delete Page', 'Follow Up', 'Close', and 'Print'.

Text of the element : Demographics Sheet
text is correct

Chkbox_8 is displayed

The screenshot shows a software interface for GeBBS Healthcare Solutions. On the left, there's a vertical navigation bar with various menu items like Admin, Call Center, Chart Retrieval, Feed Tech, etc. The main content area displays a checklist titled 'Physical Therapist Report' under section X. The checklist includes several numbered points with sub-points, such as 'Procedure shall be established by Admin for the disinfection method, type of medium, periodicals, log register, etc.' and 'Procedure followed by Admin for the disinfection method, type of medium, periodicals, log register, etc.' There are also sections for 'Official working procedure', 'Working days', and 'Working hours'. On the right side of the screen, there's a detailed view of a specific document entry for a project named 'BrownAndIslandCoding'. The document details include Project Name: BrownAndIslandCoding, Project Type: Medicare, Member Name: Thic Af, Member DOB: 02/02/1960, Provider Name: Us. Jt, Provider Address: 1700 California St Ste 100, San Francisco, CA 94113, Case Id: 1000041, File Name: 1000041_20200729_100001.pdf, Case Type: Child, Review Period: 01/01/2019 To 12/31/2020, and a 'Record QA Manager Comment' section. Below these details is a 'Check and PDF Mapping' section with checkboxes for various types of notes and reports, and buttons for 'Allow Page', 'Delete Page', 'Follow Up', 'Close', and 'Read'.

Physical Therapist Report is displayed

This screenshot is identical to the one above, showing the same software interface for GeBBS Healthcare Solutions. It displays the 'Physical Therapist Report' checklist and the detailed view of the 'BrownAndIslandCoding' project. The document details, review period, and 'Check and PDF Mapping' section are all present, showing the same information as the previous screenshot.

10000041 is correct

The screenshot shows the GoBBS software interface with a dark blue header bar. On the left, there is a vertical navigation menu with various options like Admin, Call Center, Chart Review, Field Tech, etc. The main area displays a 'Cancel Chase' dialog box. Inside the dialog, there are fields for Project (BrownLandBoardCoding), Member (Thi_Air DOB 02/02/1960), Provider (Liu_Jes Address 1700 California St Ste 100, San Francisco, CA 94133), Chase ID (1000041), and Reason for Cancel Chase (Select Reason). Below these fields is a large text area containing official working procedures and policies. To the right of the dialog is a 'Document Check List' section with checkboxes for various documents and a 'Close' button. At the bottom of the dialog are buttons for 'Delete Page', 'Cancel Chase', 'Submit', 'Follow Up', 'Close', and 'Print'.

Reason is displayed

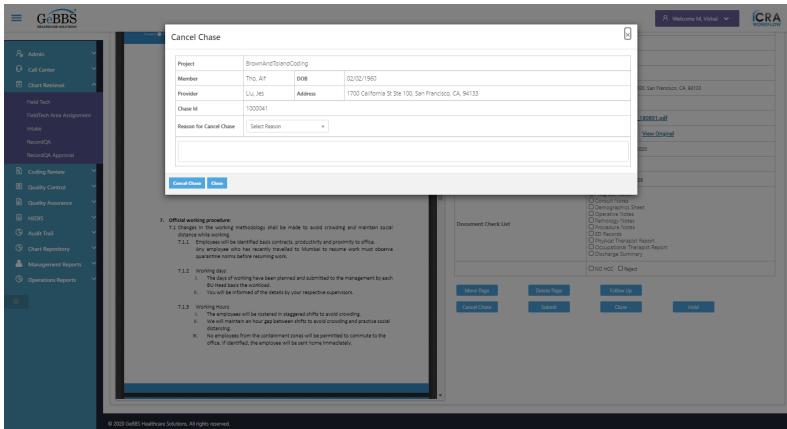

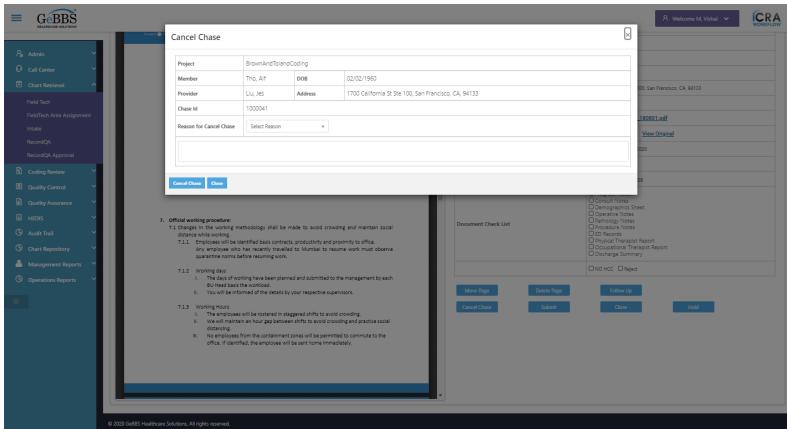

This screenshot is identical to the one above, showing the 'Cancel Chase' dialog box. The reason for cancellation is displayed in the 'Reason for Cancel Chase' dropdown, which is currently set to 'Select Reason'. The rest of the interface, including the document check list and footer buttons, remains the same.

Com is displayed

This screenshot is identical to the previous ones, showing the 'Cancel Chase' dialog box with the reason for cancellation listed in the dropdown. The overall layout and components of the interface are consistent with the previous screenshots.
