The screenshot shows the G:BBS software interface. On the left is a navigation sidebar with various menu items like Admin, Call Center, Chart Retrieval, Coding Review, Quality Control, Quality Assurance, Audit Trail, Chart Repository, and Management Reports. Under Management Reports, 'Average DOS Monthly' is highlighted. The main area displays a table titled 'AVERAGE DOS' with the following data:

ID	Project
508849	1 Project one
508862	1 Project one
508879	1 Project one
508891	1 Project one
508892	1 Project one
508800	2 Project one

ShowFilterPane is displayed

This screenshot is identical to the previous one, showing the Average DOS Monthly report. However, a vertical filter pane has been pulled down from the top of the main content area, partially obscuring the table. The filter pane contains several dropdown menus and input fields, likely for refining the search results.
