The screenshot shows the G-BBS healthcare software interface. On the left, there is a vertical navigation menu with various options like Admin, Call Center, Chart Retrieval, Feed Tech, Feedback Area Assignment, Issue, RecordQA, RecordQA Approval, Coding Review, Quality Control, Quality Assurance, HEDIS, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The 'RecordQA' option is highlighted. In the center, there is a table titled 'RecordQA - Document Routing' with a total count of 251 items. The table has columns for ID, Name, Date Received, Case ID, Member Name, Member DOB, Provider Name, Number of Pages, Project Name, Project Type, Close Type, File Locked By, and Last Accessed By. The data in the table includes entries for BrownAndTolandChartRetrieval and Medicare providers. At the bottom of the table, there is a global filter input field containing '1000030'. The top right corner shows the user 'Welcome M. Vohal' and the ICRA logo.

Text of the element : 1000030

GolbalFilter is entered

This screenshot is identical to the one above, showing the G-BBS healthcare software interface. The 'RecordQA' option is selected in the navigation menu. The central part of the screen displays the 'RecordQA - Document Routing' table with the same data as before. However, the global filter input field at the bottom now contains the specific value '1000030', which is highlighted in blue. The rest of the interface, including the menu and the table content, remains the same.

text is correct

The screenshot shows the G-BBS software interface. On the left, there's a vertical navigation menu with various options like Admin, Call Center, Chart Retrieval, Coding Review, Quality Control, Quality Assurance, HEDIS, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The 'Chart Retrieval' option is currently selected. The main content area displays a chart retrieval form for a project named 'BrownAndTolandChartRetrieval'. The project details include: Project Name: BrownAndTolandChartRetrieval, Project Type: Medicare, Member Name: Lac, Bea, Member DOB: 04/14/1946, Provider Name: Bah, Nat, Provider Address: Address:100, Address2:Tent, City:West, State:MI, Zip:49411, Chase ID: 1000030, File Name: 1000030-20200723-184721.pdf, Chase Type: Child, and Review Period: 01/01/2019 To 12/31/2020. Below these details is a 'Record QA Manager Comment' section with a 'Chase and PDF Status' dropdown set to 'Open'. A 'Document Check List' table is present with several checkboxes for different types of notes. At the bottom are buttons for 'Delete Page', 'Submit', 'Follow Up', 'Close', and 'Read'.

Text of the element : Medicare

text is correct

This screenshot shows the same G-BBS interface as the previous one, but the project details have changed. The project name is now 'BrownAndTolandChartRetrieval' and the member name is 'Lac, Bea'. The provider name is 'Bah, Nat'. The chart retrieval form includes a 'Physical Exam' section with detailed findings for heart, lungs, abdomen, and nervous system. It also includes sections for 'Past Medical History', 'Diagnosis', 'Hypertension', 'Asthma', 'Essential hypertension, benign', 'Essential hypertension, benign', 'Renal failure, acute (RKA)', 'Heart failure, left, with LVEF', 'Hypertension (HTN)', 'Cardiomegaly', 'COPD (chronic obstructive pulmonary disease) (COPD)', and 'smoky diagnosed 10/2012'. The rest of the interface is identical to the first screenshot, including the document check list and action buttons at the bottom.

01/01/2019 To 12/31/2020 is displayed

The screenshot shows the G-BBS healthcare software interface. On the left, there is a vertical navigation menu with various modules like Admin, Call Center, Chart Retrieval, Feed Tech, Feedback Area Assignment, Intake, RecordQA, RecordQA Approval, Coding Review, Quality Control, Quality Assurance, HEDIS, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The main area displays a patient chart for a child named SilverwoodIslandChairTerminal. The chart includes sections for Physical Exam, Past Medical History, and a table of medications. To the right of the chart is a 'Chase and PDF Mapping' dialog box. This dialog box contains fields for Project Name (SilverwoodIslandChairTerminal), Project Type (Medicare), Member Name (SilverwoodIslandChairTerminal), Member DOB (04/14/1948), Provider Name (Barb, Nat), Provider Address (Address1: 1000, Address2: 1000, City: Test, State: MAH, Zip: 123), Chase Id (1000000), File Name (1000000_20200723_184721.pdf), Chase Type (Child), View (Original), Review Period (01/01/2019 To 12/31/2020), and Record QA Manager Comment (None). Below these fields is a 'Check and PDF Mapping' section with checkboxes for various types of notes and reports. At the bottom of the dialog box are buttons for 'Follow Up', 'Cancel Chase', 'Delete Page', 'Submit', and 'Read'.

This screenshot is identical to the one above, showing the G-BBS interface with a patient chart for SilverwoodIslandChairTerminal and a 'Chase and PDF Mapping' dialog box. The dialog box contains the same information: Project Name (SilverwoodIslandChairTerminal), Project Type (Medicare), Member Name (SilverwoodIslandChairTerminal), Member DOB (04/14/1948), Provider Name (Barb, Nat), Provider Address (Address1: 1000, Address2: 1000, City: Test, State: MAH, Zip: 123), Chase Id (1000000), File Name (1000000_20200723_184721.pdf), Chase Type (Child), View (Original), Review Period (01/01/2019 To 12/31/2020), and Record QA Manager Comment (None). The 'Check and PDF Mapping' section and buttons at the bottom are also present.

✓ Record Submitted successfully.

Record Count is correct

The screenshot shows the G-BBS software interface with a left sidebar containing various menu items like Admin, Call Center, Chart Retrieval, Feed Tech, Feedback Area Assignment, Initiate, RecordQA, RecordQA Approval, Coding Review, Quality Control, Quality Assurance, HEDIS, Audit Trail, Chart Repository, Management Reports, and Operations Reports. The main content area is titled 'RQA Queue' and displays a table with 21 rows. The columns include: Action, RQA Method, Date Received, Client ID, Member Name, Member Date, Provider Name, Number of Pages, Project Name, Project Type, Close Type, File Locked By, and Last Accessed By. The table shows entries for different providers (e.g., Mrs. Cho, Mr. John, Mrs. Lee) and projects (e.g., BrownfieldCharRemoval, Medicare). A green success message at the top right of the table area says 'Record Submitted successfully.'

RecordQA screen is displayed

This screenshot is identical to the one above, showing the G-BBS software interface with the RQA Queue page. It displays 21 items in the queue. The user 'M. Vihal' is logged in, as indicated by the welcome message in the top right. The iCRA logo is also present in the top right corner.
