The screenshot shows the G:BBS software interface. On the left is a dark blue sidebar with a white header containing icons for Admin, Call Center, Chart Retrieval, Coding Review, Quality Control, Quality Assurance, Audit Trail, Chart Repository, and Management Reports. Under Management Reports, 'Review Quality Report' is highlighted. The main area has a light gray header with the text 'Welcome CoderSIS Site' and the ICRA logo. Below the header is a table titled 'JAV0024' with one column labeled 'PROJECT ONE'. The table contains eight rows of data, each with a project ID and a project name. The last row, 508800, is bolded. At the bottom of the main area, there is a footer bar with several tabs: Dashboard, Monthly Dashboard, Average DOS Monthly (which is bolded), Monthly Page Count, Cumulative Monthly Completed DRF... (partially visible), and Cumulative Monthly Output Generated DRF... (partially visible). The footer also includes the copyright notice '© 2020 G:BBS Healthcare Solutions. All rights reserved.'

ShowFilterPane is displayed

This screenshot is identical to the one above, showing the G:BBS software interface with the 'Average DOS Monthly' report selected. However, a large, semi-transparent white filter pane is overlaid on the right side of the main content area, obscuring part of the table and the footer. The rest of the interface, including the sidebar, header, and other tabs, remains visible.
